Testimony by Patricia Rehmer, MSN, Commissioner
Department of Mental Health and Addiction Services
Before the Public Health Committee
February 20, 2013

Good morning Sen. Gerratana, Rep. Johnson, and distinguished members of the Public Health Committee. I am Commissioner Patricia Rehmer of the Department of Mental Health and Addiction Services, and I am here this morning to speak in favor of **HB 6392 AN ACT CONCERNING THE DEPARTMENT OF MENTAL HEALTH AND ADDICTION SERVICES' REPORTING REQUIREMENTS**. I want to thank the Committee for your assistance in raising this proposal.

The bill before you would combine and eliminate some reporting requirements for our department. Retirements and hiring freezes have made it difficult to attend to the many tasks before us. We have had to prioritize our resources and in doing so, looked at our reporting requirements. We are asking that you combine three separate reports on substance use treatment and that you eliminate a general hospital reporting requirement to DMHAS that no longer has any value. This bill was before this Committee last year but did not get taken up in the waning hours of the session.

I appreciate the time and attention you have given to this matter, and would be happy to answer any questions you may have.
